

Dear Partners,

You will find hereafter the first newsletter regarding BusLift dealers, products and service.

Network **Welcome to our new partners from Russia !** (Moscow and Nijni Novgorod).
The 11th of June, the BusLift product range has been **GOST certified** by the Russian authorities. The BusLift brochure is now available in Russian (as well as English, German and French) and the user's guide will be translated at the end of July.

Patent The **third patent** regarding BusLift mobile column lift has been accepted by the World authorities. After the U-beam construction and the new safety nut, the quick bronze nut replacement system has been patented.

Exhibition We thank you very much for your visit at Autopromotec in Bologna.
The next stage will be Automechanika in Frankfurt in September 2008.
However, we will have a meeting room for EquipAuto exhibition in Paris and I will be happy to welcome you from the 15th to 20th October 2007 in Paris from 9h to 19h.

If you need any official voucher, please [contact us](#).

Summer holidays The factory is closed from the 26th of July to the 22nd of August included.
In case of emergency, please leave a message on my mobile phone (+33 620 665 931). I will take my messages every evening and will re-contact you.

Best regards
